Principal's Message

Published by The Administration Department

Dear Helensvale Community,

Launching Helensvale State School's Facebook Site

In response to feedback from our school community I am pleased to be able to launch our school Facebook page. You can find our school page at: https://www.facebook.com/HelensvaleStateSchool

We will use this as another communication strategy to provide up to date information for our school community.

Senior School Sports Carnival

Our Senior School Sports Carnival was an amazing success this year with many of our students competing in each of the events. It was fantastic to see the high levels of sportsmanship from all students on the day! I would like to thank Michael Cacciola and Michelle Freedman for their organisation of the day. I would also like to thank our P & C who provided great treats on the day and the many parents who came to watch their students competing. As this newsletter reaches you I hope our Junior Carnival will have been just as successful (weather permitting) and we will be able to share the overall winning house with our school community.
Class Placements 2016

In the remaining weeks of this term we will be starting to organise class placements for next year. This is a complex task completed by our teachers as they know the students and take into consideration individual learning needs, learning styles, friendships and dynamics of students in groups. As part of our process for organising classes each year, teachers consider friendship groupings so they can place students with at least one friend, if not more, in their new class. Sometimes there may be factors that we do not know, that you may wish to share with us to help with class placement. If you have information around your child’s learning needs that need to be shared before placements are completed, please email June Northall at jnort57@eq.edu with the Subject marked - Class Placement 2016.

Although all requests are taken into consideration, placement will be finalised by our staff / administration. No changes to class placements will occur until after day 8, in February 2016.

2016 Enrolment Confirmation

a) Are you leaving us at the end of this year? In preparation for the start of the 2016 school year we ask families with children in Prep to Year 5 who are leaving our school for other locations or schools to contact the office. This information is critical in the planning for class arrangements for next year. If you are leaving our school please contact the office by Friday 4th September, 3pm by emailing jnort57@eq.edu.au with your child’s name and planned school in 2016 or calling the office on 5556 1333 between 9.30am and 4pm.

b) Going on holidays and returning to school in 2016 after school starts? Each year we have a small number of families who return late to school after a holiday or cultural obligations overseas. To ensure your child is counted in our enrolment on Day 8 we require these families to complete a form available from the office. It is important that we have this form before you go on holidays.

I thank you for your attention to this matter.

Mianyang Talent School Leadership Team Visit

This week Kathy Ise and I had the pleasure of meeting with members of the leadership team from the Mianyang Talent School in China. Our school hosted students from the school in May and this time members of their leadership team visited to learn more about our school and discuss future visits by their students. It was a great opportunity to continue to explore the similarities and differences between our two schools and I am excited about the opportunity to host students from their school in the future. I would like t
thank the team for the gift of a journal with the signature Panda on the front which is now in our Administration.

Senior Sports Day

A huge congratulations to Mr Cacciola on a smoothly-run and fun-filled Senior Sports Carnival on Friday. We couldn’t have wished for better weather and to those parents who were unable to escape their commitments to attend, what a terrific day you missed. With music pumping across the oval all day, and teachers and students resplendent in the red, yellow, purple and blue house colours, there certainly was a carnival-like atmosphere. Billabong made it very obvious that the day’s overall result was just what they were seeking. Congratulations Billabong, and to all students who participated in the spirit of the day!

To the band of merry teachers, teacher aides, HSHS students, house captains, students, P&C members and families who took care of the students, events, outcomes, first aid, sausages, coffee, snacks, drinks and cheering on, thank you all for making the day such fun.

From Ms Brown's Desk
Twilight Tunes

Twilight Tunes was an absolute joy. We had a great response to our invitation to join us in the PAC and be spellbound by the beautiful notes created by students in Discovery, Lindfield and Beginners. Thank you to our families and friends for being a warm and supportive audience for our students who may have been feeling a little daunted by the prospect of playing in front of others. All participating Strings students and their teachers, Mr Vincent Kwan and Mr Laszlo Sirsom, should be commended on their efforts to make the afternoon so engaging.

Scooters, scooters everywhere!

There were year 1 children on scooters whizzing everywhere in a very orderly fashion last Wednesday learning and fine tuning the art of scooting. This free activity was part of the Gold Coast City Council’s Active School Travel program. It was a perfect day to be enjoying the outdoors and the grins on faces zooming past told all there was to know about whether our children were having fun as they enhanced their road safety skills.
Attendance Data

Last week our attendance data indicated that we were short of our aim to have at least 95% of our students at school. I know we can do much better than 92.8% so let’s see what we can achieve this week.

A huge congratulations goes to year 5 and Preps who both hit the 95% target last week. A super-duper effort, kids! Can we maintain it? C’mon, Helensvale, let’s see if we can all hit the 95% bullseye. How can we do this? By coming to school every day, of course.

Sadly, we still have a large number of unexplained absences. If your child is unable to attend school due to illness or significant commitments, please ensure you notify the school.

NAIDOC celebrations

Next week, we are celebrating NAIDOC and Aunty Vicki has many exciting people and activities organised. One of the most exciting events will take place next Friday morning, August 14. Aunty Pat has been invited, along with Uncle Tony from Helensvale State High School, to perform a purifying Smoking Ceremony. This is the first time this ceremony has been conducted at Helensvale State School and we hope our families and friends can join us for this special assembly at 9:15am and learn more about its cultural and spiritual significance. There is only one assembly next week and all students are expected to wear their complete formal uniform.

If you haven’t already done so, pop into the library and have a look at the fascinating displays of indigenous artefacts, books, posters and art work.
2016 PREP INFORMATION SESSION

Who: Parents and Caregivers of children turning 5 by June 30 2016 and wishing to enrol at HSS

When: Thursday, August 13

Time: 9:15am and again at 4:00pm

New Payment Method

A new payment method is now available to pay for invoices from the school. Some families may now be receiving invoices for excursions etc and have not received them in the past. This is due to the new payment method being offered. BPoint is now the preferred method for payment. An advantage of this is you will receive a receipt through BPoint as soon as payment is made. Please ensure you use the correct CRN and invoice number when making payment. When invoices are received by email you will also receive a permission note the same day with information about the excursion/activity.

Online Time involves access to many social networking sites and services including Facebook, YouTube, Instagram, World of Warcraft, Moshi Monsters, Twitter, Skype, Snapchat, Minecraft and many others. Your child may be spending too much time online if their online behaviour is having a negative impact on other aspects of their life. The information below was taken from the Australian Communications and Media Authority cybersmart booklet. Further information may be found at cybersmart.gov.au/parents.aspx

Balancing online time

Playing games online and using consoles or games on a computer is great fun but you need to make sure that your online world does not take over your life.

With more and more mobile devices on the market it is easy and tempting to stay connected 24 hours a day, seven days a week, but it is also very important to know how and when to disconnect.

How much is too much?

This is a good question and varies from person to person with different impacts. It’s important to be aware how your time online may be affecting your friendships, your family and your schoolwork, especially if it’s keeping you up at night. If any of these areas of your life are becoming problematic then it is likely that you need to cut back in the amount of time you spend online.

Why is it a problem?

Spending excessive amounts of time online can have significant impacts on your health, family and social life and on your academic performance at school.

How do I know if I have a problem?

The following indicators may be signs that you spend too much time on the internet:

- ongoing headaches, eye strain and sleep disturbance
- online activities interfering with your health and wellbeing, schoolwork and relationships
- constantly talking about particular online programs, such as a gaming site
- withdrawal from your ‘real world’ friends and activities
- attributing more importance to your online activities and contacts than anything else
- decline in your academic performance at school.

What people are saying?
What a relief to come across a program that preserves
the dignity of the child, maintains the self control of
both the parent and the child and is actually easy to
remember when memory is the first thing to go!

I realized quickly that the 1-2-3 Magic can be a
magnificent preventative measure that any parent can
use to avoid raising a child, who later down the line,
needs excessive discipline or grows out of control.

Who’s running it?
The trainer for this course is Nikki Condon who
completed the Parentshop® 1-2-3 Magic & Emotion
Coaching on 10 May 2010. Studio Village Family Support
Worker, Nikki has worked with families, children, young
people including teen mums, and the community since
the 1990’s with a special interest in building parents
confidence to raise happy children.

Helensvale Little Athletics
Does your child love running, jumping and throwing? Have you considered joining an athletics club for the summer sport? **HELENSVALE LITTLE ATHLETICS** is gearing up for a new season to start on Friday 4 September at Helensvale High School oval. Come on down and enjoy the best sport in the world!

**What is Little Athletics?**

Little Athletics is a uniquely Australian sport for children 5-16 years, as well as tiny tots for 3 and 4 year olds: it is based upon the sport of athletics (track & field) and the events are specially modified to suit the age and abilities of children. A wide range of running, jumping, throwing and walking events is conducted.

**Little Athletics is the Foundation for all Sports.** It offers young people activities and skills that will stand them in good stead for their sporting future. The motto of Little Athletics is “Family, Fun and Fitness”. This highlights that we are a community activity involving the whole family on a weekly basis.

We have a new committee for the 2015/2016 season who are eager to ensure that Helensvale Little Athletics becomes the best club around. New for this season are the timing gates plus online registration: Your Friday nights will never be the same again! Not sure if this is the sport for your child? Come and have a two week trial on the 4th and 11th September for only $20 per athlete.
