Dear Helensvale Community,

I would like to take this opportunity to farewell Ms Terry Welch, Deputy Principal, who will be leaving our school at the end of this week to spend some time in Bali. Terry has a passion for supporting the welfare and education of children in Bali having spent numerous holidays volunteering her time in the orphanages there. On behalf of our school community, I would like to thank Terry for all of her work for our school and wish her every happiness in this exciting next chapter. From Monday, we will welcome back Kim Ona, Deputy Principal for the Senior Sector.

Junior Sports Day   Thursday 6th August 2015
GC Suns AFL Cup

On Thursday 16th July Helensvale State School entered one Boys and three Girls AFL Teams to compete in the annual GC Suns Cup. The students have trained hard over the past 10 weeks for this event, and they did themselves and our school proud with their great display of skills, teamwork and sportsmanship.

I would like to thank Mr Paul Baird for volunteering his time to assist the boys team, who were undefeated in the group stage of the tournament and made the Semi Finals. I would also like to thank Mrs Jo Helsop for volunteering to assist one of our girls team, and Mrs Melissa Brannolte who also took another of our girls teams. All girls played extremely well, and the fact that most were new to the game just 10 weeks ago their progress over this time has been outstanding! One of the school girls teams were successful in making the Grand Final which was a bonus achievement for the day.

Every participant should be proud of their wonderful efforts!

Helensvale State School AFL Girls: Grand Final runners up with Mr Cacciola
On Saturday 18\textsuperscript{th} July the School Girls AFL Team were invited to play on the main ground of Metricon Stadium at the half time of the GC Suns Vs GWS Game. All the girls were juggling mixed feelings of...
excitement and nerves running out on to the ground in front of 9000 fans. After getting in the uniforms of the GC Suns and GWS teams, the girls were thrilled to take the field and put on a great show for the crowd and their parents. A huge thank you to Mrs Donovan and the parent helpers who assisted these girls participate in this wonderful opportunity and memories that will last a lifetime!

The girls are all excited as they wait in the tunnel, ready to run out

As the siren sounds the girls are ready for the first bounce
After a fantastic game of footy the girls exit the field!

Twilight Tunes

On Thursday July 30 at 3:45pm in our PAC, our Strings students in Discovery, Lindfield and Beginners will be participating in Twilight Tunes. Each group will perform two pieces for your enjoyment. The students are very excited about having you in the audience and we look forward to welcoming you all to this special afternoon. Tea and coffee will be available.

Gold Coast Eisteddfod

A number of our students have been busily preparing for the upcoming Gold Coast Eisteddfod Competition and letters will be coming home very soon with those students who will be showcasing their talents.

School Musical

Musical rehearsals for The Zoo are conducted on Tuesdays in 2nd break and Fridays in 1st break for those with speaking parts and all participants attend on Wednesdays in 2nd break and Fridays in 1st break. Starting this week, children also will be rehearsing with Ms Melrose and Ms Muir-Woods after second break each Friday. The students should be congratulated on their commitment to rehearsals and their respect for those assisting. We are all looking forward to seeing this exciting play, which has been written and directed by our very talented Ms Melrose.

Attendance

With a focus on attendance this semester, we are encouraging all children to attend every day unless they have a very good reason for not being at school. I am certainly making a fuss on assembly to raise awareness of the need to be at school to be a learner. A big thank you to all parents who are promptly letting the school or class teacher know why students have been absent. It is my goal to increase attendance and significantly reduce the number of unexplained absences at Helensvale. You can all assist with this by ringing the absentee hotline 555 6170 or sending a note to your child’s teacher explaining absences.

Whole school data

The cohort with the best attendance last week was Year 2. Congratulations to all those Year 2 students who helped achieve this terrific result.

The individual class with the highest attendance last week was Year 1/2G with 97%.

Prep E had the least number of unexplained absences. Well done to all those who remembered to send a note of explanation after a period of absence.

Late arrivals

The number of children who are arriving late is diminishing and we would love this to be further reduced. The first bell goes at 8:45am and all children are expected to move smartly down to their classrooms to prepare for lessons when the second bell is sounded at 8:50am. Classes start promptly with children movin...
into groups for differentiated learning. Children will require a late slip if arrival is after 8:55am. Let’s see if we can aim for 0% late slips each day so there are zero interruptions to our early morning lessons.

**Lost property**

Children are looking very smart in their school uniforms each day. If your child is missing an item of clothing please check in lost property, which is displayed outside of the staff room each day. Naming each part of the uniform worn will greatly assist us in being able to reunite items with owners in a timely manner.

**2016 Prep Enrolments**

There will be a Parent Information session in the PAC on Thursday 13 August at 9:15am and repeated at 4:00pm for families wishing to enrol their child in Prep next year. 2016 Information packs and an interview booking sheet to lock in a suitable time will be available. All necessary paperwork must be completed and an original birth certificate presented for the enrolment process. Interviews will commence on Tuesday 2 September and will run for 3 weeks. 2016 Prep children are expected to attend the interview with their parent or carer and each interview lasts for approximately 30 minutes. Helensvale State School has a School Enrolment Management Plan, however parents or carers whose principal place of residence is outside the catchment area are welcome to put their name on our waiting list for a possible placement.

**School Opinion Survey 2015**

During week 1 this term, all families received a letter via their oldest child in the family that attends HSS inviting them to take a few minutes of their time to complete the 2015 School Opinion Survey (SOS). This is your opportunity to have your say and to give feedback on how you think Helensvale SS is performing across many facets of school life. This feedback is invaluable to drive the strategic direction of our school culture for the future and the areas you think we need to improve upon.

To ensure we get an accurate picture of our school’s performance, many stakeholders are invited to be involved including parents and carers, all staff members and even selected students from our Year 5 and cohorts.

To date, from the 750 surveys we sent to families we have only had 45 completed.
The good news is, it is not too late. The School Opinion Survey is still open until Friday July 31. So find your SOS letter with your individual log on codes and take the time to have your say. If you require any further assistance, please do not hesitate to send me an email and I will be more than happy to help.

Japanese Drumming

Keep children safe in public with these 5 ideas

There is a strong shift away from the old rule of “never talk to strangers” to “never go anywhere with anyone without asking permission first”. Catherine Gerhardt has 5 practical ways to help keep children safe in public.

This is the new fundamental rule to keeping kids safe. This rule must NEVER be broken. Regardless of if it is a school, public or family function, work with your children to ensure they always ask an adult for permission before going off with ANYONE.

Classic “what if” scenarios are worth their weight in gold. “You are at school and walking back to class after snack when a man comes up to you and says he is locking for his son’s class. He asks you to go with him to show him where it is. Do you go?”

Use tempting scenarios that are relevant to your child, such as puppies or toys, and discuss safe options and strategies in each case.

Children have an innate sensitive personal alarm, which we can teach them to use. This is their natural defence system. Work with them to identify and recognise the physical and environmental signals that cause their alarm to sound. Knowing that a rush of adrenaline will cause physiological changes in our bodies and activate our personal alarm is a good start. A child’s personal alarm will present the same physical and emotional cues that an adult’s will.

Trust your instincts

Have you ever gotten “the creeps”? Maybe it’s the idea of snakes, mice or heights that does it for your child. Encourage them to draw on how it feels when they get the creeps. Instincts are those feelings you get when something or someone makes you feel uncomfortable. Instincts are the physiological changes that happen in our body when our personal alarm goes off.

Physiological changes include noticing that you feel scared or nervous, your tummy feels upset and your heart is racing. And you know what? Our personal alarm is right 100% of the time.

Five ways to enforce the new rule:

1. Never go anywhere with anyone without asking permission first

2. Trust your instincts

3. Your personal alarm

4. More on page 2

... Keep children safe in public with these 5 ideas ...

1. **Personal space vs. safety zone**
   Most kids understand the concept of personal space. How many times have we heard, “Stop invading my personal space!” Most people feel comfortable within an arm’s length of others. However, do your kids recognize their safety zone? Teach your child to be aware of their surroundings. If a “strange” person is too close, suggest they back away and maintain their safety zone. A safety zone is much bigger than your personal space – at least three giant steps bigger.

2. **Safe places, safe people**
   There are times when a child must ask for help quickly and instinctively. We already know that not all strangers are bad, that most strangers will help a child who is lost or upset. It is situations that are safe, not places, “all with your child and reinforce that he or she must ALWAYS use his or her skills with ALL people, including those presumed safe. Encourage your child to tell an adult they trust when someone or something has frightened them.

   As parents we need to empower our children with self-confidence and trust in their ability to sense when something is just not right. It doesn’t matter if they can articulate it; they just have to feel it.

New Payment Method

A new payment method is now available to pay for invoices from the school. Some families may now be receiving invoices for excursions etc and have not received them in the past. This is due to the new payment method being offered. BPoint is now the preferred method for payment. An advantage of this is you will receive a receipt through BPoint as soon as payment is made. Please ensure you use the correct CRN and invoice number when making payment. When invoices are received by email you will also receive a permission note the same day with information about the excursion/activity.

Welcome back to term 3 and what a busy time it is going to be…..

**Trivia Night**

Tickets are now on sale in the Tuckshop for our Trivia Night. Tickets are $10 per person with a maximum of 10 per table… only have 6 or 8 people no problems. Each table will include a nibbles platter. We have some great prizes and raffles up for grabs so come along and join us in a fun filled night…

**Woolworths Earn & Learn**

This is now underway and is a great way for the P&C to earn valuable resources for our school. Each time you shop at Woolworths you can earn tickets, you can place them in the bins at the store or we will have 2 bins at school, one outside the office and the other at the Tuckshop. So show your support and start collecting today.

**Sports Days**

Wednesday 22nd & Thursday 23rd July are our new dates for Sports Day. We will be operating a shop from the undercover area near the oval, come along a grab a coffee and a sausage sizzle. Or if you have time we would love you to come along and volunteer your help.

**Price increases- Uniform & Tuckshop**

Effective Monday 20th July the new prices in the Uniform Shop and Tuckshop will be implemented. Unfortunately we have absorbed price increases from our suppliers for a number of years now and due to this, other factors and lack of volunteer help in the Tuckshop we have had to pass these on.

Each student bought home a new Tuckshop menu last week and the Uniform Shop prices will be on facebook and in the shop.
A few of our lovely Tuckshop Volunteers are completing their placement for their UNI courses and are unable to come and help. If you can come in for a day we need some more volunteers on Wednesday and Thursdays. Even if you can only come and help out with baskets for an hour, that would be a help also. Thank you to Rebecca and Belinda for your help: it is greatly appreciated. Good luck finishing your course and we look forward to hearing about your new careers, in the not-to-distant-future.

Due to us not getting enough volunteers and needing to rely on our paid staff, as well as the rising costs of goods: we are now unable to absorb these costs any longer. Therefore we have a new Menu, and the prices have been adjusted accordingly. We sent a new menu home with every student last Friday, so please check your child’s bag and pop it on the fridge for future reference. The new prices will be starting this week. If your child was away on Friday and didn’t receive a new menu, please get them to come to the Tuckshop and get one. We have extra copies available from the Tuckshop. It should also be available the P&C facebook page and the school website.

With new dates for Sports Days, we still need some help. We will be having a shop down in the undercover area in front of the basketball courts. We will be selling, cakes, sandwiches, rolls, lollies, drinks, slush puppies, coffee and we are also doing a sausage sizzle for the two days also. We will need some volunteers to help at this shop over the break times. If you are free, we would love some help! Please feel free to go and watch your child/ren compete on the day, but we would love your help over the break times to get through the lines quickly. It is a great day to come and support the kids if you can get time off.
Thanks,
Tracy Wall

What a relief to come across a program that preserves the dignity of the child, maintains the self control of the both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realized quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later down the line, needs excessive discipline or grows out of control.

Who’s running it?
