Hit the Target,
Be at school by 8.45am

KIDS CANCER PROJECT

Childhood cancer touches many families in our community. Our school has two students who have cancer and it is important that as a school we raise the awareness of childhood cancer amongst our children and families.

The Kids Cancer Project website provides information about childhood cancer and enables us to have an understanding of what this wonderful charity does for children with cancer and the current research being undertaken to reduce childhood cancer now and in the future. As this cause is very close to our school $400 from the disco held last evening will be donated to the Kids Cancer Projects by the Student Council as a forerunner to a substantial fundraiser early in 2015.

Should any parents wish to add to the school’s donation to Kids Cancer Projects go to the Kids Cancer Project website: www.thekidscancerproject.org.au to make a donation.
to be launched on next Wednesday's whole school assembly. 
Great prizes and incentives to continue reading over the summer vacation.
Are you and your family up to the challenge?

PREP FOR 2015

At this point there have been 108 Prep students and their parents interviewed and all enrolment forms filled in for 2015. By the beginning of the school year we are expecting that number to increase to around 120. This will allow the school to form 5 Prep classes. The formation of classes for 2015 has commenced. If you are yet to enrol in prep and you would like to attend Helensvale State School, please get your enrolment forms in as soon as possible and an interview time can also be arranged.

EVERY SCHOOL DAY IS A PRECIOUS DAY OF TEACHING

The school calendar for 2015 indicates that there is a maximum of 195 teaching days for the year. With still several weeks until the end of the 2014 school year, I know you will ensure that every remaining school day be a precious day of teaching and learning. Research shows that students who have good patterns of attendance are more likely to achieve at school. If students aren’t at school or don’t stay the whole day, they are missing valuable lessons. Check out the new Every Day Counts videos live on DETE TV.
http://www.youtube.com/DETQueensland

WORK HEALTH AND SAFETY IS EVERYONE’S RESPONSIBILITY

All members of our school community can play a part in making our school safer. Helensvale is continuously working to improve our practices to provide a safe place to be. So please, if you see anything that is a WHS issue notify the office or email admin@helensvale.eq.edu.au

SMOKING ON SCHOOL SITE

Smoking is prohibited in the grounds of all schools. New reforms also include smoking within 5m of school gates.

"If it doesn't challenge you, it won't change you."

PB NEWS

Published by The Administration Department
This term in Prep B we have been working on reading strategies in reading groups and reading stamina time. We know that it is important to monitor when we read and to self-correct when we notice an error in our reading. We are all getting much better at doing this and will remember these strategies when we are reading in our Year 1 classrooms in 2015.
The end of the year is fast approaching and Prep C and D are busy preparing for the Prep Christmas Sharing Celebration which will be held on Thursday 4 December at 5pm in the Prep classrooms. The Preps have been as busy as Santa’s elves painting, cutting and gluing to make wonderful creations for their parents. They have also been learning songs to perform for their parents on the night.

Prep C and D would like to take this opportunity to say a heartfelt thank you to all the people who volunteered throughout the year in our classrooms. Your assistance made a difference to the students in our classes.
Dear Parents/Carers,

Due to the increase in our community accessing online banking to pay school activities our Finance Window will open on Tuesdays, Wednesdays and Thursdays from 8am to 9.30am. If Parents/Carers would like any information on how to access online banking please email Tracey Smith on tsmit517@eq.edu.au or phone on 55561333.

MESSAGE STICK

Jingerri Wallal Wahlu
Greetings many you

Say G’Day in Yugambeh Language: Baugull nyunga-i

A Group from the Bunburra Jajumms went to the Studio Village Community Centre on Monday 24th November to join the “Journey to Recognition” Expo. We enjoyed the Yugambeh Dance group, Kalwun Health services and spear and boomerang throwing, plus a great sausage sizzle. A big “Thank You” to Jenny and all her support helpers for their hospitality.

Vicki McCrae
The Tuckshop will be CLOSED on the last day of school, Friday 12th December, 2014, for stocktake and cleaning. You will need to pack your child’s lunch for this day as there will be NO lunch done from the Tuckshop on this day. The last day for Flexischools orders will be Thursday, 11th December, 2014.

We now have a barista style coffee machine at the Tuckshop! We can do Moccacinno’s, Cappuccino’s, Lattes, Flat White’s, Long Black’s and Hot Chocolates. Prices are $3.50 for a small cup and $4.00 for a large. We also have Caramel and Chai flavours for an extra 50c with your coffee. These are available for teachers and parents. So if you need a morning kick start, come and grab a coffee!

The Tuckshop has an eftpos machine in the now! So we can process your orders at the order window with eftpos. There is a minimum order of $5.00 for debit card and $10.00 for credit card. If you don’t meet this quota we will have to include a 50c fee to cover this charge.

I would like to thank all the parents and caregivers for supporting the Tuckshop this year. Also thank you to wonderful Volunteers who have helped out in the Tuckshop this year. I know you all lead busy lives but thank you for donating your time to come and help, as without your help we wouldn’t be able to have such a vast menu as we do. So thank you and we hope to see you again next year!

Tracy Wall
Tuckshop Convenor

LIFT PROGRAMME

During the last week in LIFT lessons, the students in year 4 that work with Ms Skerman and Mrs James have been working on improving their writing, going from ‘Skeleton Sentences’ to ‘Spectacular Sentences’. These groups have been reading Sarindi’s Dragon Kite and we have had discussions on the author’s writing, the way she writes and how it can help us in our own writing. Some great writing examples are shown below.

Instead of writing: The beach is the best place to fly the kite.

The sandy golden beach is the best location to fly the colourful stripey tiger kite which glides peacefully in the steady breeze. Angelique 4E

Instead of writing: Sarindi remembers the neighbour’s dog.

Sarindi remembers the neighbour’s spotty black and white dog that jumps up and down in the air like a balloon on a tent trying to escape in the wind. Angelique 4E
Sarindi happily remembers the young next door neighbour’s excitable dog that always digs holes under the fence like a pirate digging for treasure. Emily 4B
The blue, pink and purple butterfly kite flaps her wings while prancing through the sky like a dancing horse. Scarlett 4B
The spider kite crawls in the sky like a caterpillar crawling up a tree to get the freshest of leaves. Alley 4B
Flying through the clouds like a ballet dancer, the owl kite twirls and spins. Flying through the clouds like an eagle hunting, the owl kite searched for food. Sarah 4B
The tiger kite pounces from cloud to cloud like a playful cat catching a mouse. Its shiny black stripes shimmer like an ocean bathed in a dazzling sunset.
Swooping through the clouds, the rare eagle kite searches for its prey like a lion ready to pounce on an animal.

What Makes Writing So Important?

http://epublisher.net.au/public/newsletter/ViewNewsletter?u=dxxOJBDR8LyMq_veQt... 2/12/2014
Writing is the primary basis upon which your work, your learning, and your intellect will be judged—in college, in the workplace, and in the community.

• Writing expresses who you are as a person.

• Writing is portable and permanent. It makes your thinking visible.

• Writing helps you move easily among facts, inferences, and opinions without getting confused—and without confusing your reader.

• Writing promotes your ability to pose worthwhile questions.

• Writing fosters your ability to explain a complex position to readers, and to yourself.

• Writing helps others give you feedback.

• Writing helps you refine your ideas when you give others feedback.

• Writing requires that you anticipate your readers’ needs. Your ability to do so demonstrates your intellectual flexibility and maturity.

• Writing ideas down preserves them so that you can reflect upon them later.

• Writing out your ideas permits you to evaluate the adequacy of your argument.

• Writing stimulates you to extend a line of thought beyond your first impressions or gut responses.

• Writing helps you understand how truth is established in a given discipline.

• Writing equips you with the communication and thinking skills you need to participate effectively in democracy.

• Writing is an essential job skill.

HELENSVALE YEAR 1-5 SWIMMING PROGRAM

Over the past three weeks the Year 1-5 students have enjoyed participating in the swimming program. Students were able to build water confidence, stroke development and water fitness. These skills are very timely with the start of summer just around the corner and students will be able to enjoy water sports in backyard pools, beaches and other aquatic areas with these newly developed skills.

Michael Cacciola HPE Teacher
Important Notices from your Coordinator:

2015 Enrolment and Holiday Club booking forms are out, I have emailed all existing families. For new families please phone or call into our service to pick up a hard copy.

If you would like a personalised tour of our Service and get to know more, please make a booking with any of our team members.

During After School Care children have been creating a Chinese dragon which symbolises power and excellence, bravery and boldness, heroism and perseverance, nobility and divinity. A dragon overcomes obstacles to achieve success. He is energetic, decisive, optimistic, intelligent and ambitious.

Such characteristics are encouraged and often visible here at YMCA. During our talking circles our children expressed their interest in the Chinese Dragon, influencing the creation of this master piece.

Over a weekly period the children eagerly contributed to the scales and the completion of our own Chinese Dragon.
Children decided that the reading corner was the best place for the dragon as this is a place where imagination happens!!!
IMPORTANT INFORMATION
For Current and Prospective Band Parents

1. **Instrumental Music New Parent Information Session**
   and
2. **Continuing Parents Session - Obtaining your Own Instrument**

| Monday December 1st | 3.15pm | HSS Performing Arts Centre (Hall) |

1. If your child has recently been through the recruitment process for the **Instrumental Music Band Program** next year at HSS, you are invited to attend an information session where you will be able to:
   - Learn about the Band Program-it's procedures and policies
   - Understand the recruitment process and why 'that' instrument was chosen for your child
   - Discuss options on how to obtain an instrument for your child

2. If you are a parent of a current musician in the HSS band program that has been using a school instrument this year, you are required to obtain your own instrument for next year. There will be a display in the foyer by local music retailer, Gold Coast Brass and Woodwind. You will be able to receive valuable information regarding their affordable rent/buy scheme and also information on how to buy a quality new or second-hand instrument (what to look for/recommended brands etc)

Would $500 assist with your child’s school costs?

Join Saver Plus and match your savings, dollar for dollar, up to $500 for education costs including uniforms, text books, laptops, sports equipment and music tuition.

You may be eligible if you:
- have a Health Care Card or Pensioner Concession Card
- are 18 or over and
- have some paid income from work (you or your partner).

Contact Sylvia Constantin, your local Saver Plus Worker:
07 5644 9182 / 0431 076 011 or
sylvia.constantin@benevolent.org.au

Saver Plus was developed by ANZ and the Brotherhood of St Laurence and is delivered in Gold Coast North by The Benevolent Society. Saver Plus is funded by ANZ and the Australian Government.
Shhh - it's a Secret
Is bed-wetting a problem?

Remember you're not alone. Around 20% of children wet the bed at night.

Bed-wetting is a very common problem and can be easily treated.

Help is available through Ozcare's Dry Bed Program.
It works... up to 90% of children have ceased bed-wetting.

The program offers: • Information Package • Initial assessment by a
Continence Advisor • Follow up reviews • Use of bed-wetting alarms.
• Ongoing counseling and support • Certificate of successful

Active & Healthy and Nature Play Qld Program Launch

Make Memories Outside

All kids need wild time where they can climb trees, get muddy and reconnect with nature. It is a memory from childhood that we all treasure and our kids today are missing out on creating their own memories. Come celebrate Nature Play and being active and healthy on the Gold Coast at this free Roaming the Gold Coast event at Evandale Parklands on Saturday the 6 December.

FREE EVENT - FREE ACTIVITIES - FREE GOODY BAGS FOR THE KIDS

8am to 12pm

Evandale Parklands, Ouyan Street Bundall

Food vendors and coffee van on site

Activity stations include

MUD PIE BAKERY - KITE MAKING - STAND UP PADDLE BOARDING - CIRCUS INTRO - CUBBY BUILDING - SAND OBSTACLE RACE and heaps more fun activities

Register your kids now for this special event. Your kids will get to try out some Nature Play Missions from the Passport to an Amazing Childhood program as well as get a taste of the awesome activities your kids can do this summer holidays as part of City of Gold Coast’s Active and Healthy holiday program.

Places are strictly limited, so register now to secure your spot! (NB: As our activities are suited for children aged 6-12 please register your children in this age bracket only. This is only)

http://epublisher.net.au/public/newsletter/ViewNewsletter?u=dxxOJBDR8LyMq_yeQt... 2/12/2014
The Lab will be coming soon to the Gold Coast and is now open for registrations (see link below). If you have a child who is interested in joining The Lab Gold Coast, please fill out our online application form.

The Lab sessions will be held at Just Better Care–Gold Coast, at Varsity Lakes.

What is the Lab?

The Lab is a growing network of technology clubs for 10 to 16 year-old young people diagnosed with Asperger Syndrome or High Functioning Autism who enjoy working with computers. It offers one-to-one tuition by technology professionals in areas such as programming, 3D, digital design and gaming.

At each weekly two-hour Lab session, two or more computer programmers and designers work individually with between 12 and 20 young people to develop their technology skills and interests. Young people also learn social skills and make friends with others who share their interests. Parents meet in a separate room to swap notes and strategies.

The aim of The Lab is to develop a practical model that can be adopted by others. Its name and logo is deliberately neutral to avoid stigmatising participants, and to focus on their potential rather than the fact that they have Asperger’s Syndrome.

At the Lab, we are committed to ensuring the safety of children in our care. We put this into practice via a range of policies and protocols, including screening of those working with children, training programs and complaint procedures. For more information on child protection please see http://www.aihw.gov.au/child-protection/#rec...

For general information on The Lab, refer to the website: www.thelab.org.au
THE CALL IS OUT

WE NEED IT MENTORS TO WORK WITH KIDS WHO HAVE ASPERGER'S OR HIGH FUNCTIONING AUTISM. YOU MUST HAVE PROGRAMING OR IT NETWORKING SKILLS AND AN INTEREST IN GAMING – NOTABLY MINECRAFT.

THE LAB

The Lab is expanding its operations around Australia!!

Would you like to mentor & provide technical IT support to young people with a passion for gaming and program development?

Go to www.thelab.org.au/jobs to see the job description and fill out an application.

Currently we are seeking expressions of interest on the Gold Coast.

Positions are also available in other areas across Australia.
