Dear Helensvale Community,

Parent Survey Responses

Thank you to the families who have responded to the current school survey. The comments section has been very informative with many positive comments and suggestions on how we can improve the school. The survey will be open until Friday week. I invite families to take the time to complete the survey so the greater number of responses can assist us to improve our school.

School Crossing Supervisors

In January 1984 the Department of Transport and Main Roads introduced the School Crossing Supervisor Scheme to reduce the risk of death and injury to children attending schools near Queensland’s busy roads. A school crossing supervisor’s role is to assist children in safely crossing roads on their way to and from school.

In 1984, 255 schools adopted the scheme and 363 school crossings were opened across the state. Currently there are over 650 schools that have adopted the scheme, with more than 1200 school crossings across the state and over 1900 school crossing supervisors to help keep kids safe as they make their way to and from school.

Supervised school crossings result in:
- more children using a crossing once it becomes supervised
- other pedestrians tending to cross at a crossing rather than in a dangerous area on either side of the crossing
- motorists experiencing fewer delays at supervised crossings.

School crossing supervisors contribute to Transport and Main Roads’ positive profile in the community. They have an extremely important role - to promote road safety among young children and educate them on how to use a supervised crossing.
Supervised crossings are an important part of Transport and Main Roads' road safety program. School crossing supervisors are the unsung heroes of school road safety. They play a vital role in helping thousands of students get to and from school safely each day.

When was the last time you said thank you to those who assist us on the roads and help our kids stay safe?

"Please stay safe on the roads"

Wednesday 11th-18th, and 25th May: 9:30 am – 11:30 am
P: 5555 1333 or C: impressions@hep.us to book a place

Proudly brought to you by Northern Gold Coast Communities for Children
Cofunded by the Mayorossa Charity Foundation

What people are saying?
What a relief to come across a program that preserves the dignity of the child, maintains the self-control of both the parent and the child and is actually easy to remember when memory is the first thing to go.

I realized quickly that the 1-2-3 Magic can be a magnificient preventative measure that any parent can use to avoid raising a child who later on the line, needs excessive discipline or grows out of control.

Who's running it?
The facilitators are experienced parent educators who work to support and strengthen family relationships.

Community for Children is funded by the Australian Government Department of Social Services

• An end to the arguing and yelling! • It saved our lives • Simple, sane, effective •

Attendance

Last week’s attendance data indicates that Prep (95.5%) and Year 3 (95.4%) continue to lead the way with modelling what can be achieved with a major emphasis on Every Day Counts. Congratulations to students in those two cohorts!

Under 8’s Week

On Friday May 27, Preps and Year 1’s will be celebrating Under 8’s week with children from 4 Kindergartens in Helensvale. Activities will include popcorn making, chalk drawing, Mobilo, stories and activities, creating crafts, musical games, gross motor skill activities, paper plate puppets and water play. The session will commence at 11:30 and conclude at 1:30 followed with a disco in the PAC.

Students are encouraged to bring a teddy to share lunch with after the disco and wear a costume of their choice or something fancy for the disco.

You are most welcome to share this time with your children.

Snugglepot and Cuddlepie at The Arts Centre

To further enhance the study of drama this term, it was our intention to take Prep – year 2 students to see The Very Hungry Caterpillar at the Arts Centre. Unfortunately, due to extenuating circumstances, we were unable to secure a reasonable cost for buses which had to sourced from Brisbane due to interschool sports on the coast.

This excursion to the Gold Coast Arts Centre has now been replaced by another wonderful theatre experience, Snugglepot and Cuddlepie, for prep and year 1 students on July 25. “…an engaging romp, bringing the magical bush tale to life for another generation…skillfully done…imaginative” - Sydney Morning Herald

Parent Support

On Wednesday evening, before the P&C meeting, Vanessa Kibbey and Helen Hartley presented the work we are doing to transform our school using a guaranteed and viable curriculum and proficiency scales. All parents and carers should now have received their child’s current maths proficiency scale and have an understanding of the scale scores. If you have any questions, please don’t hesitate to...
speak to your child’s class teacher.

**Important dates**

This month, we mark two annual events that are important for all Australians. The first is National Sorry Day, which is held on 26 May each year — the date that the Bringing Them Home report into the Stolen Generations was tabled in Parliament in 1997. Sorry Day gives us reason to reflect on the history of forcible removals of Aboriginal and Torres Strait Islander children from their families, and the long-term impacts of these policies.

Later this month, we will celebrate National Reconciliation Week, a time for Indigenous and non-Indigenous Australians to share stories of the past as well as visions for a more positive future.

**On your marks, get set, read!**

Books are open and pages are turning - the reading period for the Premier’s Reading Challenge has now commenced for Prep to Year 6 students at Helensvale State School. All students are expected to participate in the challenge which concludes on August 26 and each should have taken home a sheet to record all books read. More recording sheets can be obtained from your child’s class teacher.

*Until next week...*

**From Mrs Austin’s Desk**

*How Helensvale SS helps your child to learn*

This year I have explained how the school has been supporting your children’s learning with our Response to Intervention (RTI) model. This is only one piece of a very large puzzle of how we operate as a school. Below is an overview of other ways we are working to support your child’s learning.

*Education has dramatically changed from:*

1. Plan what we will teach
2. Teach lesson and concept
3. Student understands & learns concept
4. Move on to next lesson
5. Student does not understand or learn concept

*Education today looks like:*

1. PreTest/Post Test of Content - Analyse the results
2. What was the student previously?
3. What did students already know?
So as you can see, there is far more accountability to ensure the improvement of learning is occurring for ALL students. Improvement rates or sometimes referred to as ‘the distance travelled’ varies between student to student due to many factors and variables. But the key factor we need to highlight is that improvement is occurring for all students each and every day.

Winter is coming

Lately the mornings have become quite fresh followed by glorious sunny days. This has seen an increase of our Winter uniform being worn, but being taken off during the school day. Please ensure each uniform item is clearly marked with your child’s name. This will help us ensure any lost items are returned to their owners.

The Uniform Shop opening hours are:
Monday 8:30-10:30am
Wednesday 8:30-10:30am
Friday 8:30-10:30am

Have your say!

In last week’s Bulletin we sent a survey link to parents so families could have their say regarding many aspects of our school. We have had significant responses to date, so thank you to those families that have taken the time to share your thoughts.

If you haven’t already done so, we are encouraging ALL families to take this opportunity to provide feedback to the school.

Please know there are only 21 multi choice questions with options to write feedback. All responses are anonymous to ensure we receive authentic feedback.

Don’t miss your chance to be heard as the survey will close noon Friday 27 May. Results will be shared with the community once the survey has been closed and responses collated.

Walk Safely To School Day

Friday 20 May 2016

National Walk Safely to School Day is on Friday 20 May 2016. Now in its 17th year, it is a campaign and annual event when all primary school children, their parents and carers are encouraged to walk and commute regularly and safely to school. It is a community event seeking to promote Road Safety, Health, Public Transport and the environment.

Australian children are becoming less active. One substantial contributor is the decline in walking and/or taking public transport to school. Children who are regularly physically active are healthier, perform better academically and less likely to be obese or overweight, which can lead to the long-term and costly risks of heart disease and diabetes etc. Walking regularly is the best exercise because you can build it into your daily routine.

Helensvale State school would like to encourage parents or carers who have to drive, to park a little further away than normal and walk to school. Students who walk to school will be given a sticker to wear on the day.

School Payments

Commencing from Term 2 there was a change to the finance window opening days and hours. The new days are Mondays and Wednesdays with times of 8am – 9.30am.

Please assist us by adhering to these times.

All excursions and incursions have closing dates to make payment. Please ensure you pay by the due date as no late payments will be accepted.

Thank you for your assistance.

This term in Prep C, we have been studying living and non-living things as part of our Science unit. To explore the needs of plants firsthand we decided to plant a garden. We took turns planting flowers and snow peas, discussing how a seed would grow into a plant. We water the garden every morning, ensuring all the plants needs are met (sunlight, water, food and air).
Congratulations to Cooper S from Prep E who is the winner of the 2 night Seaworld Accommodation and Highest Fundraiser in the Bootcamp Fun Run. Congratulations also to Prep E on being the Highest Fundraising Class and earning themselves a Class Party.

All the Fun Run prizes have now been distributed, it was awesome to see the smiling faces of those who raised funds but sad to see those who didn’t understand why they didn’t receive one.

Tuckshop News... Tuckshop News... Tuckshop News...

Hello Everyone,

We are desperately seeking volunteers to do the all-day shifts. We need you from 9am until 2.15pm. We will supply your lunch and tea or coffee. If you have children at the school, you don’t need a blue card to start. You will be processing and recording lunch orders, stocking chips and drinks, washing up, packing lunches, serving children and meeting other parents. Time goes quickly and it is quite fun. You get to see the behind the scenes of running the Tuckshop and how it works. It is a great way to meet other parents, if you are new to the school and if you are job seeking, it is a good stepping stone to paid work. We could use some extra volunteers on a Tuesday and Thursday at this stage. So if you can help out, please come and let me know.

Also if you have a spare hour or two in the morning after dropping off the kids at class, we need help processing the baskets. Once this is done it makes the day run smoothly. So if you can spare and hour or two that would be great too.

Cheers,
Tracy Wall (Tuckshop Convenor)

Important Messages from the Coordinator:

19th May 2016

Vacation Care booking forms have been handed out to the children’s classes.

If you require care please complete the booking form and return back to YMCA OSHC as soon as possible to avoid disappointment. Thank you.

Mothers Day was our hot topic this month with the children very excited to create their own special craft that involved Mothers day cards, tea cup and straw pictures, mini mother’s day booties that all the children enjoyed making.

Also the children enjoy their free time drawings in the mornings and outside play it always very popular in the sand pit digging and having fun.

YMCA Healthy Menu

This month we have had lots of fruit that is in season

Apple, watermelon, orange and grapes.

Afternoon tea has been ham and salad wraps

Assorted sandwiches/leisure and vegemite that was a favorite if you are looking for something different to make for school luncheons.

Fire Drill

As we continue to practice our fire drill the children seem more calm and responding quickly to our assembling area as a group.

Lost Property box is full to the brim with unnamed hats, jumpers, lunchboxes and drink bottles.

If you feel your child has lost an item please come on in and take a look.

At the end of each term the items that have not been collected are sent off to the charity shop.

Aboriginal and Torres Strait Islander Mental Health First Aid Course

We respectfully acknowledge the traditional custodians of the beautiful land in which we live, work and play, and pay our deepest respect to our Elders past, present and future.

This two day course is conducted by the Aboriginal and Torres Strait Islander Health Service, Gold Coast Hospital and Health Service and on occasions may be co-facilitated with other services.

Mental health first aid is the help provided to a person who is developing a mental health problem, or who is in a mental health crisis, until appropriate professional treatment is received or the crisis resolved. Mental health first aid strategies are taught in evidence-based training programs authored by Mental Health First Aid (MHFA) Australia and conducted by MHFA Instructors across Australia.

The Aboriginal and Torres Strait Islander Mental Health First Aid Course is designed as a 14 hour course, typically conducted in 6 modules that we are holding it over two days. This course teaches health professionals and community members (16 years and over) how to assist an Aboriginal or Torres Strait Islander adult who is developing a mental health problem or in a mental health crisis.

Who can attend the course?

This course is targeted to Gold Coast Aboriginal and Torres Strait Islander community members over 18 years old.

However, if there are vacancies the course will be made available to Aboriginal and Torres Strait Islander Community members from outside of the Gold Coast, Non-indigenous Community members and staff of services working with Aboriginal and Torres Strait Islander clients. Please contact the service to confirm availability.

Please note: this course is not a cultural awareness, therapy or support group rather it is an education course to learn how to give first aid to others.

What the course covers
Aboriginal and Torres Strait Islander social and emotional wellbeing
Mental health problems in communities
Mental health first aid strategies for working with Aboriginal and Torres Strait Islander communities
Developing mental illnesses:
  Depression
  Anxiety
  Gradual onset psychosis
  Substance misuse

WANT TO LEARN HOW to assist Aboriginal and Torres Strait Islander experiencing mental health problems?

What the course covers (Continued)
Mental health crisis situations:
  Suicidal thoughts and behaviours
  Severe effects of drug or alcohol use
  Aggressive behaviours
  Panic attacks
  Traumatic events
  Severe psychotic states
  Non-suicidal self-injury (sometimes called self-harm)

Course Format
The Aboriginal and Torres Strait Islander Mental Health First Aid Course is designed as a two day face-to-face course conducted in 6 modules.
Course participants will receive a Certificate of Completion.

Cost
Attendance at the course is free. Tea/Coffee, morning tea and Lunch provided.
