Dear Helensvale Community,

Anzac Day

Families are reminded that our Helensvale State School ANZAC Day Ceremony will be held this Friday 22 April from 12.35 in the PAC. Parents and community members are invited to join us for the ceremony. All children must be in their full school uniform.

Two members of the Gold Coast Light Horse association will be displaying their uniforms and horses prior to the assembly.

Year 6 Camp Success

The annual year 6 camp to Tyalgum Ridge Retreat was a very active and physical camp with a wide range of activities offered during the three days. I joined the camp on Monday evening and on Tuesday joined group seven as they engaged in BMX bike riding, archery, camp fire skills and a 5km hike (all uphill) to a beautiful waterfall high on the volcanic escarpment. The cool water was greatly appreciated by the students. The track was complex with water crossing and required high level skills in negotiating tree roots and slippery surfaces. The agility of some students brought back memories of my youth, which were quickly replaced by aches and joint stiffness as the evening approached. I thank our students for the excellent behaviour demonstrated by 99.9% of our students. The camp staff were very complimentary about our students which is high praise given the camp staff host about 70 schools a year from State, Independent and Catholic schools.

I sincerely thank our teaching staff who attended as they put on hold their own lives/families to share this wonderful experience with their students. Thank Mrs Pyne, Camp Coordinator, Mrs Brannolte, Ms Reynolds, Mrs Hinds, Mrs Irving, Mr Van Doomum, School Chaplain Long Bradley and Ms Smithers from our SEP team.

In next week’s Homelines a full camp report will be included along with photos of the activities.

This week our friendly snake was determining which beard was best during the reptile demonstration.

Parent Teacher Interviews

It was great to see the number of parents who booked interviews with their child’s class teacher over this week. The stats show that 494 families accepted the invitation for an interview with 679 interviews scheduled. Our year 6 teachers will conduct their interviews into next week due to the camp this week. I trust parents found the discussion valuable and of assistance in assisting their child to review their learning goals for this term. I thank our teachers for giving generously of their time to accommodate the wide range of times parents are available for this important meeting.

School Photos

A reminder that school photos are scheduled for the 17th-18th May. The class schedule will be included in next week’s Homelines and Facebook page.

Naplan

Our year 3 and 5 students will participate in NAPLAN, in May. NAPLAN tests the sorts of skills that are essential for every child to progress through school and life, such as reading, writing, spelling and numeracy. The assessments are undertaken nationwide.

School Uniform

As a proud State School and with a longstanding tradition of pride in our uniform, Helensvale State School enforces this uniform policy for all students enrolled at our school. Parents and carers enrol their children at this school on the understanding that the full uniform will be worn at all times. As the winter weather approaches it is timely to remind families that we do have an expectation that student’s will be wearing items of clothing from the school’s winter range which are available from our uniform shop.

Anzac Assembly

This week, public speaking, dancing, singing, string and instrumental music students, including a trumpeter from Helensvale High School playing the Last Post, have been practising for our 2016 ANZAC assembly which will be held at 12:35pm on Friday 22.

Anzac Day is a time to honour the service and sacrifice of our original ANZACs, and the generations of Australian servicemen and women who have defended our values and freedoms in wars, conflicts and peace operations. Students have been learning about the ANZAC legend and classes have been creating splendid wreaths for our assembly.

All students are expected to wear their full formal uniform on Friday. We do hope you will be able to join us for this special occasion.

Attendance

Once again, our students should be congratulated on their efforts with attendance - 95% attended classes last week. Accolades must go to Year 3 who had the highest attendance.

There are still a number of students who need a bit more encouragement to
leave home in a timely manner. Teaching begins at 8:50am and rolls are marked
at 8:55am. Please show that you value your child’s education and ensure they
are in class at 8:50am every day as every minute counts.

Monday Public Holiday

The school will be closed on Monday 25 April due to the ANZAC Day public holiday. I hope you are
able to make it to one of the ANZAC services on the Gold Coast. Enjoy the long weekend and stay
safe!

Bus Travel

With Term 2 underway, we’d like to remind all students and parents to please be safe when travelling
on or near buses. A significant number of our students travel on buses to attend school each day. All
students have the right to a safe and enjoyable journey, and their safety is our number one priority.

Ensuring students safe travel on or near buses is a shared responsibility which brings together the
efforts of students, their parents/careers, schools, bus drivers and bus operators. When travelling on or
near a bus, there are some safety tips you should follow to ensure a safe journey —
for-students.pdf.

A Code of Conduct for School Students Travelling on Buses is also available to provide students and
parents/careers with information about how to travel safely on buses. To view the code and more

Parent Interviews

It was terrific to see so many of you at our afternoon and evening parent teacher interviews on
Tuesday. Thank you for making this time to discuss your child/ren’s current academic progress and
behaviour. If you have not yet made an appointment, please organise one as soon as you are able.

Make a list of any questions you have and remember to follow up with any suggestions that come out
of the interview. Please don’t hesitate to let us know beforehand if you require an interpreter. Contact
the school to make an appointment any time of the year if you have concerns about your child.

Semester 1 reports, which include academic progress, effort, behaviour and attendance will be
emailed home on June 22.

Autism Month

Do you know that there are more than 12,000 students with autism enrolled in Queensland state
schools? April is Autism Awareness Month and our school is committed to working with families and
services to support students with autism and ensure that they get the best possible start in life.

This year the Queensland Government launched Australia’s first Autism Hub to provide students with
autism, their families and schools across the state with more support. Located in Brisbane, the $2
million centre offers expert advice, training and resources to parents, educators and health
professionals. Seven regional autism coaches have also been appointed, ensuring professional
support is available state wide.

For more information visit www.education.qld.gov.au/autismhub.

ICT: Bring your own devices (BYOD) and Digital Technologies

2016 sees the beginning of the implementation of the Australian Curriculum: Digital Technologies at
Helensvale. Students will develop their digital literacy so they can become effective users of digital
systems, critical consumers of information conveyed by digital systems and innovative creators of
digital solutions. More than 90% of Australia’s current workforce will need digital skills to perform their
roles in the next 2–5 years and 60% of Australian students are studying or training for jobs that will be
largely automated in the near future. We are rolling out our Digital Technology curriculum in the five
Prep classes and students are learning early coding and programming through the use of Bee-Bots, small floor robots, to support their understanding of a range of concepts. iPads are being utilised in all Prep classes, as well as our U2B classes.

Queensland state school students and their parents can now access engaging online games and resources from home to reinforce and extend classroom lessons by logging onto 'The Learning Place', the Department of Education, Training and Employment's web learning environment. Click on the following site to explore what is available:

**Active School Travel**

Are your children involved in Active School Travel? This travel behaviour change program aims to reduce the travel congestion around schools. The program promotes walking, cycling, riding a scooter, skating, public transport and carpooling as active, safe and healthy ways to commute to and from school.

**Benefits for students who actively travel include:**

- Increased physical activity
- Students arrive at school alert and ready to learn
- Improved concentration, sleep and relaxation
- Improved cardiovascular fitness
- Increased road safety skills
- Improved posture, flexibility and balance
- Improved self-esteem, confidence and independence
- Opportunities to make friends and enhance social skills
- More time together with family and friends

**Community benefits include:**

- Increased physical activity
- Reduced traffic congestion
- Safer school drop off and pick up zones
- Improved air quality
- A more social community

Let's all get on board!

Until next week…

**Response to Intervention**

This week saw the commencement of our RTI ‘fly in squads’ into our Prep – Year 5 classrooms (as Year 6 was a camp.) It was great to see the students so enthusiastic and engaged with their learning. This reinforces that students know the expectations and the routine of this scheduled time which ensures maximum learning outcomes.

This term, I have had a number of Coaches share with me the improvement of students linked with the RTI support provided during Term 1. Coaches work collaboratively with classroom teachers to identify specific learning needs of students and provide alternative ways to reteach concepts or provide additional learning time for students to master specific skills. When comparing Term 1 data from the
start (Pre Data) to the end (Post Data) there have been significant gains and movement for a large percentage of our students.

Congratulations to:-
Prep & Year 1 Coach – Mrs S Reed
Year 2 & 3 Coach – Mrs R Gooch
Year 4 Coach – Ms R Skerman
Year 5 & 6 Coach – Ms J Rheeder

All of our dedicated classroom teachers also need to be acknowledged for the hours of work they too contribute to the organisation of RTI each week. Collaborative, the success of each student is a shared responsibility for all, including our families.

Have Your Say

This term we will be encouraging families to participate and provide anonymous survey feedback regarding key initiatives operating within the school. We know we have many working families that don’t always get the opportunity to regularly touch base with the school. We are hoping through other avenues such as surveys, that families feel their opinion is valued and heard.

Please keep an eye out in future communication for your opportunity to have your say!

Communication

Schools are a very dynamic and multi-faceted place as it is always a hive of activity. To ensure that families and students are getting the best possible outcomes from school we continually highlight the importance of communication. So now, is the perfect time to remind the community the way school information is shared to ensure all families are kept up-to-date.

e-Newsletters

Each week we send home a School Newsletter from the Leadership Team. This is sent home via email. If you currently do not receive our e-Newsletter then would like to, please contact the school office and ensure we have your current email address.

Website

Our School Website continues to evolve as we find new ways of connecting valuable teaching and learning information to parents. We also upload our Newsletters under our Calendar and news tab as another way to safe guard parent to receive this weekly information.

Facebook

In keeping with the 21st Century, we also have a Facebook Account. The advantages of having Facebook, is it allows us to communicate to the community 24 hours a day, 7 days a week. Below is a picture of our cover page. If you are not a ‘friend’ of our community page then please go and find us.

School Sign

We also use our school sign to advertise and remind the community of our up and coming events. The sign is located at our main entrance of the school.
School Office

The school office is also another source that can provide you with school information. The office staff are always happy to help and if they don’t know the answer, they will endeavour to find out the answers for you.

So as you can see, there are many avenues to be kept up to date with school information and events. Families just have to work out which communication avenue best fits the context of your personal circumstance and routines.

School Photo Day is 17 & 18 May 2016

Have your child’s school memories captured forever

Please take time to read the relevant information on the MSP Photography order envelopes and remember these helpful points:

- Ensure your order is placed by photo day to avoid any late fees.
- Ordering online using your child’s Unique Shoot Key is the easiest, safest and most secure way to order. If you do not know their Unique Shoot Key, please call our office on the number below.
- Sticking photography envelopes are available for collection from your school office. Please read them carefully as appointments are limited.
- If enclosing payment inside an envelope, please ensure the correct money is provided as no change is given. Cash, cheques and money orders are accepted.
- Don’t seal envelopes inside each other. You can pay for all children in one envelope, however each child needs to have their own envelope on photo day. Please indicate on the child’s envelope that contains all sibling payments the names of the children you are for any enquiries, please feel free to contact us on:

Timetable

Classroom Photo Timetable will be posted in Homeliness prior to photo day.

Uniform

Students must wear their Formal School Uniform for school photos. Hair is to be tied back in class photos. However, girls can have their hair down for individual photos if they wish.

Year 6 Camp
On Monday the year 6 students left for Tyalgum Ridge Retreat which is situated in the Tweed Valley in Northern NSW. Whilst there the students were encouraged to show personal initiative and leadership as well participate and challenge themselves with the variety of outdoor activities. Such as, Orienteering, Canoeing, Raft Building, Rainforest Hike, Rock Hopping, Mountain Biking, Archery and many more.

I am sure the students and teachers came back with many stories, and experiences to share with us all as well as photos in our next homelines.

Upper Coomera Community Service 9 am

Helensvale State School will be participating in the Upper Coomera ANZAC Parade.

The March will assemble at Coomera School of the Arts, Gawanl and Siganto Park, Upper Coomera at 8am. The march will commence at 9am and proceed along Reserve Road onto Oxenford-Tamborine Road to the Cenotaph.

A memorial service will be held at the Cenotaph at Charlie’s Crossing Road, Upper Coomera at 9:30am. A community barbecue will be held at John Siganto Park, Gawlere Place following the service (10.30am). All are welcome.

Oxenford-Tamborine Road between Maudsland Road and Reserve Road will be closed from 9am to 10.30am, with detours in place.

Reserve Road at Oxenford-Tamborine Road to Highland Reserve Roundabout will be closed from 9am to 9:30am.

Helensvale State School students are to wear their formal school uniform.

What people are saying:
What a relief to come across a program that preserves the dignity of the child, maintains the will of control of both the parent and the child and is actually easy to remember when needed. The course was the first thing to go.
I worked quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child who later takes the line, needs excessive discipline or grows out of control.

What people are saying:
The facilitators are experienced educators who work to support and strengthen family relationships.

Communities for Children is funded by the Australian Government Department of Social Services.
Thanks to your support of Bookclub, we have been able to purchase $600 worth of books for our Library and as Teacher resources. We purchased many chapter books, book sets, Anzac-related books and a lot of very large picture story books for classroom reading. I’m sure all the students will enjoy them.

The latest issue of Bookclub, Issue 3, has been sent home this week. It is very easy to order. Payment can now only be made with a credit or debit card online. You can place your order via www.scholastic.com.au/LOOP or via the iPhone or Android App. There’s NO need to return paper order forms or payment receipt details to school.

For a quick how-to-order video, log-in to www.scholastic.com.au/LOOP, select State and School and then click on HELP at the top.

Remember NO Cash Orders please – we are now running a cashless Book Club!

All orders need to be placed by FRIDAY, 29 APRIL.

WANT TO LEARN HOW to assist Aboriginal and Torres Strait Islander experiencing mental health problems?

Aboriginal and Torres Strait Islander Mental Health First Aid Course

We respectfully acknowledge the traditional custodians of the beautiful land in which we live, work and play on, and pay our deepest respect to our Elders past, present and future.

This two day course is conducted by the Aboriginal and Torres Strait Islander Health Service, Gold Coast Hospital and Health Service and on occasions may be co-facilitated with other services.

Mental health first aid is the help provided to a person who is developing a mental health problem, or who is in a mental health crisis, until appropriate professional treatment is received or the crisis resolved. Mental health first aid strategies are taught in evidence-based training programs authored by Mental Health First Aid (MHFA) Australia and conducted by MHFA Instructors across Australia.

The Aboriginal and Torres Strait Islander Mental Health First Aid Course is designed as a 14 hour course, typically conducted in 6 modules but we are holding it over two days. This course teaches health professionals and community members (16 years and over) how to assist an Aboriginal or Torres Strait Islander adult who is developing a mental health problem or in a mental health crisis.

Who can attend the course?

This course is targeted to Gold Coast Aboriginal and Torres Strait Islander community members over 18 years old.

However, if there are vacancies the course will be made available to Aboriginal and Torres Strait Islander Community members from outside of the Gold Coast, Non-Indigenous Community members and staff of services working with Aboriginal and Torres Strait Islander clients. Please contact the service to confirm availability.

Please note: this course is not a cultural awareness, therapy or support group rather it is an education course to learn how to give first aid to others.

What the course covers

- Aboriginal and Torres Strait Islander social and emotional wellbeing
- Mental health problems in communities
- Mental health first aid strategies for working with Aboriginal and Torres Strait Islander communities.

Developing mental illnesses:
- Depression
- Anxiety
- Gradual onset psychosis
- Substance misuse
