Hit the Target,  
Be at school by 8.45am

BUSY LAST WEEK

The last week of school will be a week of high activity for students, teachers and families. This year is a special year as we have two year levels graduating from our school as part of the Qld Government's Flying Start initiative. This initiative brings Qld into line with most States and Territories in Australia where year 7 is the first year of high school. I wish all our students an enjoyable last week and know that the 250 students graduating are expectantly looking forward to high school. The other activities next week include:

**Swimming Carnival** for Year 4-7 on Monday at the Helensvale City pool. Parents are welcome to attend.  
**Christmas parties** are being held on Wednesday.  
**Class Orientation for 2015** - On Thursday and Friday next week our continuing students will be meeting the teachers in their year level to assist the transition for 2015. Due to the ever changing enrolment numbers some classes will be composite classes where two year levels will be with one teacher. The final class formations will not be confirmed until day 8 of the school year when the Office of State Schooling will confirm our staffing for 2015.

MRS HOUTEN ON LEAVE IN 2015

After 30 years at Helensvale State School Mrs Houten will commence leave next week in preparation for the next phase of her life. Mrs Houten has witnessed our school grow from few just over 100 students to well ove
1200 students. In this time Mrs Houten has had contact with thousands of students in her role as teacher librarian. In the Helensvale community Mrs Houten is well recognised for her love of reading and passion for literature, even when digital media commenced challenging the future of print materials.

The current library collection, with its diverse range of books, holds testament to Mrs Houten’s love of books and the essential skill of reading for enjoyment. Many students have continued their reading interest following their role as a library monitor, fondly called library angels by Mrs Houten.

Next week from Monday to Wednesday I trust many parents and former students will take the opportunity to visit Mrs Houten during her last 3 days in the library to share memories and wish her well for the future.

On behalf of all the students, staff and parents who have worked with or have shared Mrs Houten’s love of reading I wish Mrs Houten and her husband Lindsay an enjoyable transition into the next phase of their lives. Mrs Houten, thank you for your significant contribution to our school over 30 years and now your daily travel does not have to travel to 8 Lindfield Road Helensvale. I know you will set your GPS for new destinations as you explore the world beyond our great school where you will always be remembered for your love of learning and reading in particular. It is time to write your own book focusing on the future.

PRINCIPAL’S SUMMER READING CHALLENGE

The improvement of reading is one of our schools ongoing priorities. Research clearly shows that during the summer vacation many students will regress in their reading levels due to the fact that reading, often is not a priority when children are on vacation.

“The research is clear that children who don’t read during the summer can lose up to three months of reading progress and that loss has a cumulative, long-term effect.”
Following on from our recently introduced CHILL before school reading program we will be offering students the opportunity to participate in the Principal’s Summer Reading Challenge. In brief students can join the challenge by completing a weekly reading sheet to go into a draw in Week 1 of 2015 for great prizes including a new iPad. Parents will be required to sign the sheet to verify that the reading material has been completed. I am sure parents will model honesty in recording the books read by their children. The aim of the program is to get as many children as possible to participate in the challenge. I thank parents in anticipation of your support to keep your child’s reading levels.

Information will be forwarded home early next week regarding the challenge.

P&C THANK YOU

As the school year draws to a close, I sincerely thank our staff, parents and volunteers (including tuckshop) for assisting the P&C Association with the various fundraising activities throughout the year. The P&C is a vital part of our school and the leadership modelled by past presidents Leanne Watt and Debbie Hemmings and new president Lisa Rae in bringing the community together, has positioned the P&C well to commence the 2015 school year with a shared goal of maximising the learning of ALL students. I congratulate the Association on a successful 30th Anniversary fete which proved to be a wonderful day for our community. I trust all P&C members enjoy the vacation and I look forward to working together to continue our school improvement agenda.
"You're never alone when you are reading a book".

-- Susan Wiggs

"People who say they don't have time to read, simply don't want to."

-- Julie Rugg

PE NEWS

Monday 8th December Swimming Carnival Timetable
(These times are approximate and are subject to late change )
Parent spectators cost: $2 ( payable to the pool on the day )
8:45: Roll marking in class as normal
In each stroke students can choose to race in either the 25m OR 50 m (not both)
• In the freestyle if students swim the 50m, they can also swim the 100m
• No nominations are required prior to the day, the marshal will call for all students to swim that stroke to make their way to the starting area. (eg the marshal will call for all 25m freestyle swimmers to go to the starting area)
• 25m events are a have-a-go event for house points only
• 50m events are timed so that an overall 1st, 2nd, 3rd will be awarded (based on the quickest overall times from the heats as there will no finals) 50m events also get house points

TUCKSHOP NEWS

The Tuckshop will be CLOSED on the last day of school, Friday 12th December, 2014, for stocktake and cleaning. You will need to pack your child’s lunch for this day as there will be NO lunch done from the Tuckshop on this day. The last day for Flexischools orders will be Thursday, 11th December, 2014.
We now have a barista style coffee machine at the Tuckshop! We can do Moccacinno’s, Cappuccino’s, Latte’ Flat White’s, Long Black’s and Hot Chocolates. Prices are $3.50 for a small cup and $4.00 for a large. We also have Caramel and Chai flavours for an extra 50c with your coffee. These are available for teachers and parents. So if you need a morning kick start, come and grab a coffee!
The Tuckshop has an eftpos machine in the now! So we can process your orders at the order window with eftpos. There is a minimum order of $5.00 for debit card and $10.00 for credit card. If you don't meet this quota we will have to include a 50c fee to cover this charge.
We will be doing a sausage sizzle and selling drinks and coffee at the Year 7 Graduation on Monday night and at the Year 6 Graduation on Tuesday night from 4.30. We will also be doing a sausage sizzle and selling coffee and drinks at the Year6 & 7 Disco next Wednesday night.
At the end of the Year 6 & 7 Disco night we will also be selling Showbags for $5.00 for those who missed out getting one. These are a great night so come along and grab a sausage and a drink! Hope to see you there!
I would like to thank all the parents and caregivers for supporting the Tuckshop this year. Also thank you to our wonderful Volunteers who have helped out in the Tuckshop this year. I know you all lead busy lives but thank you for donating your time to come and help, as without your help we wouldn’t be able to have such a vast menu as we do. So thank you and we hope to see you again next year!
Tracy Wall

Shhh - it's a Secret
Is bed-wetting a problem?

Remember you're not alone.
Around 20% of children wet the bed at night.

Bed-wetting is a very common problem and can be easily treated.
Help is available through Ozcare's Dry Bed Program.
It works ... up to 93% of children have ceased bed-wetting.

The program offers: Information Package • Initial assessment by a
Continuing Advisor • Regular reviews • Use of bed-wetting alarms.
• Ongoing counselling and support • Certificate of success

For further information on this specialised service,
contact Ozcare on 5569 6200 or visit www.ozcare.org.au

Roaming the Gold Coast

Active & Healthy and Nature Play Qld Program Launch

All kids need wild time where they can climb trees, get muddy and reconnect with nature. It is a memory from childhood that we all treasure and our kids today are missing out on creating their own memories. Come celebrate Nature Play and being active and healthy on the Gold Coast at this free Roaming the Gold Coast event at Evandale Parklands on Saturday the 6 December.

FREE EVENT - FREE ACTIVITIES - FREE GOODY BAGS FOR THE KIDS

8am to 12pm

Evandale Parklands, Ouyan Street Bundall

Food vendors and coffee van on site

Activity stations include

MUDD PIE BAKERY - KITE MAKING - STAND UP PADDLE BOARDING - CIRCUS INTRO - CUBBY BUILDING - SAND OBSTACLE RACE and heaps more fun activities

Register your kids now for this special event. Your kids will get to try out some Nature Play Missions from the Passport to an Amazing Childhood program as well as get a taste of the awesome activities your kids can do this summer holidays as part of City of Gold Coast's Active and Healthy holiday program.

Places are strictly limited, so register now to secure your spot! (NB: As our activities are suited for children aged 5-10, please register your children in this age bracket only.)
The LAB

The Lab will be coming soon to the Gold Coast and is now open for registrations (see link below). If you have child who is interested in joining The Lab Gold Coast, please fill out our online application form.

The Lab sessions will be held at Just Better Care–Gold Coast, at Varsity Lakes.

What is the Lab?

The Lab is a growing network of technology clubs for 10 to 16 year-old young people diagnosed with Asperger Syndrome or High Functioning Autism who enjoy working with computers. It offers one-to-one tuition by technology professionals in areas such as programming, 3D, digital design and gaming.

At each weekly two-hour Lab session, two or more computer programmers and designers work individually with between 12 and 20 young people to develop their technology skills and interests. Young people also learn social skills and make friends with others who share their interests. Parents meet in a separate room to swap notes and strategies.

The aim of The Lab is to develop a practical model that can be adopted by others. Its name and logo is deliberately neutral to avoid stigmatising participants, and to focus on their potential rather than the fact that they have Asperger's Syndrome.

At the Lab, we are committed to ensuring the safety of children in our care. We put this into practice via a range of policies and protocols, including screening of those working with children, training programs and complaint procedures. For more information on child protection please see http://www.aihw.gov.au/child-protection/#rnp:

For general information on The Lab, refer to the website: www.thelab.org.au
THE CALL IS OUT

WE NEED IT MENTORS TO WORK WITH KIDS WHO HAVE ASPERGER’S OR HIGH FUNCTIONING AUTISM. YOU MUST HAVE PROGRAMING OR IT NETWORKING SKILLS AND AN INTEREST IN GAMING – NOTABLY MINECRAFT.

THE LAB

The Lab is expanding its operations around Australia!!

Would you like to mentor & provide technical IT support to young people with a passion for gaming and program development?

Go to www.thelab.org.au/jobs to see the job description and fill out an application.

Currently we are seeking expressions of interest on the Gold Coast.

Positions are also available in other areas across Australia.
