School Opinion Survey – About this data

Reporting

Reporting levels available:

- Queensland;
- School level; and
- Departmental reporting levels (school type and region).

Reporting levels are available for each of the surveys:

- Parent/Caregiver Survey;
- Student Survey (excludes students at special schools);
- Students at Special Schools Survey; and
- Staff Survey (including principals).

Estimates

Data are reported as the number of total valid responses to an individual statement (denominator) and the percentage of valid responses for the agreement response scale. All data are unweighted.

Caveats

n: The number of respondents who answered an individual item.

Agreement: Presents the aggregation of positive responses as a percentage; i.e.: "*Somewhat agree*", "*Agree*" and "*Strongly agree*".

DW: Data withheld for confidentiality reasons. This can be for small respondent groups or where all responses to an item are the same.

NA: Data not available.

- Percentages are rounded to one decimal point in reports, so discrepancies may occur between sums of the component items and totals.
- Staff includes responses from principals.
- 'Staff' refers to both teaching and non-teaching staff.

Dissemination

- School level reports are released annually on *OneSchool Corporate Reporting*.
- Queensland state schools receive annual school level reports, which include non-school level benchmark comparison data.
- Schools are required to include survey results in their annual report.
- The department includes statewide survey results in their annual report.
- State level summary results are released on the department's website <<https://qed.qld.gov.au/publications/reports/statistics/schooling/schools/schoolopinionsurvey>>
- Customised data are available upon request.
